

## BARBERA D'ALBA DOC Giuli

**Grape varietal:** 100% Barbera

**Planting layout:** 2.30 x 0.90 m

**Altitude:** 230 metres a.s.l.

**Exposure:** south

**Vine training technique:** guyot

**Age of vines:** 50 years

**Yield per hectare:** 55 quintals of grapes/ha

**Soil:** limestone – blue marlstone

**Harvest:** October

**Vinification:** traditional in temperature controlled tanks

**Ageing:** 18 months in French oak

**Further ageing:** 6 months in the bottle

**Sensory characteristics:** intense ruby red colour, dense, rich bouquet of red berries with subtle and mellow scents of wood. The palate is full, strong, soft and highly persistent. The right level of acidity matches well with the pronounced tannins. Needs ageing.

### INTERESTING FACTS

*This wine was named “Giuli” after Giulio, the brother of great-grandfather Pietro, who used to be called “Zio Giuli” by his family.*
